

Attorney Docket No. 219507-00017

Figure 1A shows an embodiment of the subject connector for use with a single conductor insulated electrical conductor.

Figure 1B shows a specific embodiment of an electrical connector in accordance with the subject invention for use with a coaxial cable type insulated electrical conductor.

Remarks

Two paragraphs, referring to Figures 1A and 1B if the Drawings have been replaced with a single paragraph referring to Figure 1. This comports with the drawings and the rest of the specification as originally submitted.

Respectfully submitted,

Jefferson Perkins
